

IMPORTANT SAFETY RECALL

July 2026

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2025-2026 Chevrolet Express and GMC Savana vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM recall N262563571.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.
- Drivers may notice degraded steering precision or may notice the steering wheel is off-center when driving straight.

Why is your vehicle being recalled?

These vehicles may have a steering gear assembly with a nut that was not properly tightened. A loose nut that separates from the steering gear assembly while driving can cause a loss of steering control, increasing the risk of a crash.

What will we do?

Your GM dealer will replace the steering gear assembly, free of charge. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 2.5 hours.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Do you have questions?

You may schedule your vehicle for repair using the QR code below. For more information about your vehicle, or if you have questions or concerns that your dealer is unable to resolve, please visit gm.com/service. You can also use your preferred voice assistant (for example, "Please go to GM.com"), or call the Buick, Chevrolet or GMC Customer Assistance Center at 1-866-467-9700. For Cadillac, please call 1-800-333-4223.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.

If your dealer fails or is unable to remedy this recall without charge, or within a reasonable amount of time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.888.275.9171), or go to <http://www.nhtsa.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 26V399.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
