This notice applies to your [Model Year] Hyundai IONIQ 5 vehicle, VIN: XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect, which relates to motor vehicle safety, exists in **certain 2023 – 2024 model year IONIQ 5** vehicles. Hyundai is initiating Safety Recall 305 to address a condition involving the **High-Voltage Battery**. Our records indicate that your vehicle, with the VIN listed above, is affected by this recall.

What is the problem?

The individual battery cells within the vehicle's high-voltage ("HV") battery module may have been manufactured with misaligned electrodes. This may result in an internal short circuit, increasing the risk of a fire while parked, charging, or driving. Customers may notice smoke or a burning/melting odor, or the malfunction indicator light and/or battery light on the dashboard.

What will Hyundai do?

Your IONIQ-certified Hyundai dealer will replace the Battery System Assembly ("BSA"). This procedure will be performed at **NO CHARGE** to you. You will also be provided with a loaner vehicle at **NO CHARGE** for the duration of the repair.

What should you do?

Owners are advised to park their vehicles outside and away from structures and limit the maximum charge to 80% capacity until the recall remedy is completed.

The actual time required to perform the recall remedy on your vehicle will take less than 3 hours; however, your vehicle may be needed longer. To schedule an appointment with your preferred IONIQ-certified Hyundai dealer, please **call 1-855-371-9460** or visit:

1. www.hyundaiusa.com/campaignhome
2. Enter your 17-digit VIN from the top of this letter and click the "Search" button.
3. Click "Schedule Appointment," enter your zip code in the Dealership Locator tool, click the "Find a Dealer" button, and follow the onscreen prompts to schedule your service appointment.

If you have already had this repair completed or scheduled an appointment with an IONIQ-certified dealership, please disregard this notice.

Additional information

If you have any questions or require further assistance, you may contact the Hyundai Customer Care Center at 1-855-371-9460.

If you believe that the dealer or Hyundai has failed or is unable to remedy the defect without charge, or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to www.NHTSA.gov.

Your safety is our top priority. We urge you to take prompt action to address this safety recall for your vehicle by scheduling the necessary service as soon as possible. We sincerely apologize for any inconvenience this may cause and appreciate your attention to this matter.
