IMPORTANT SAFETY RECALL

Ignition Coil Ground Bolt

This is an Important Safety Recall.

- **The recall remedy is available.** The recall procedure will be performed on your vehicle at **NO CHARGE** to you.
- Failure to complete this recall procedure may increase the risk of a crash.
- Failure to have this recall completed could cause your vehicle to fail an emissions inspection (SMOG check) when required under state law. It could also be considered a lack of proper maintenance.
- To locate your nearest Genesis retailer and schedule your appointment, please call or visit:

1-844-340-9741 or **www.genesis.com/recall**

This notice applies to your 2027 Genesis G80 vehicle, VIN: XXXXXXXXX**XXXXXXXX**

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Genesis has decided that a defect, which relates to motor vehicle safety, exists in **certain 2027 model year Genesis G80 vehicles.** In addition, this condition may affect compliance with Federal and California emissions requirements**.** Genesis is initiating Safety Recall 034G to address this condition involving the **Ignition Coil Ground Bolt.** Our records indicate that your vehicle, with the VIN listed above, is affected by this recall.

What is the problem?

The ignition coil ground bolt may not have been sufficiently tightened during vehicle assembly. An unsecured ground bolt could cause an engine misfire or an engine stall. An engine stall or misfire may increase the risk of a crash. Owners may experience illumination of the malfunction indicator lamp (MIL).

What will Genesis do?

Your Genesis retailer will tighten the ignition coil ground bolt. This procedure will be performed at **NO CHARGE** to you.

What should you do?

Please contact your nearest Genesis retailer to schedule the recall repair as soon as possible.
The actual time required to perform the recall remedy on your vehicle will take less than 1 hour, however, your vehicle may be needed longer. To schedule an appointment with your preferred Genesis retailer, please call **1-844-340-9741** or visit:

1. Visit www.genesis.com/recall
2. Enter your 17-digit VIN from the top of this letter and click the “Search” button.
3. Click “Schedule Appointment”, enter your zip code in the Retailer Locator tool, click the “Find a Retailer” button and follow the onscreen prompts to schedule your service appointment.

We recommend scheduling a service appointment to minimize inconvenience. Service Valet may be arranged in advance for eligible owners whose vehicles are within 3 years or 36,000 miles from the date of original retail delivery or date of first use, whichever comes first. Courtesy Vehicles may be arranged in advance based on eligibility and availability should alternate transportation be required during the service visit.

Additional Information:

If you have any questions or require further assistance, you may contact the Genesis Customer Assistance Center at 1-844-340-9741. If you are not satisfied that we have remedied this situation without charge, and within a reasonable amount of time, you may write to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, D.C. 20590, or call their toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to NHTSA.gov.

Your safety is our top priority. We urge you to take prompt action to address this safety recall for your vehicle by scheduling the necessary service as soon as possible. We sincerely apologize for any inconvenience this may cause and appreciate your attention to this matter.

The California Air Resources Board requires that **emissions related campaigns such as this be completed prior to annual vehicle registration renewal.** Without repair, you may not be able to complete your vehicle registration and obtain a license tag. Once this repair has been completed, your Genesis retailer will provide a "Proof of Correction Certificate." The California Department of Motor Vehicles (DMV) may request this Proof of Correction Certificate during your next vehicle registration. This certificate should be kept with your vehicle records thereafter.

Are you a registered owner in Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Virginia, or Washington?

Because your state has adopted the California emissions regulation, your Genesis retailer will also provide a "Proof of Correction Certificate" once this repair has been completed. Your state's Department of Motor Vehicles, Department of Transportation, Motor Vehicle Administration, Motor Vehicle Commission or Department of Licensing may request this Proof of Correction Certificate during your next vehicle registration. This certificate should be kept with your vehicle records thereafter.

If you are a vehicle lessor, Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Reimbursement Notification

If you have previously paid for a repair that addresses the issue described in this letter, you may be eligible for reimbursement. To submit for reimbursement:

1. Visit www.genesis.com/us/en/contact-us
2. Scroll down to find Campaign Reimbursement and click "Submit Claim"
3. Follow the onscreen instructions to submit.

You can also call to obtain additional information at **1-844-340-9741**.

No longer own this vehicle?

You received this notification because U.S. federal regulations require automotive manufacturers to notify last known owners of recalled vehicles based on current owner records. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.
