American Honda Motor Co., Inc.

VT750/1300 #1
September 2026

SAFETY RECALL

2024-2025 VT750 • 2023-2025 VT1300

Fuel Pump Replacement

BACKGROUND

Honda is issuing a **STOP SALE NOTICE** on CERTAIN 2024-2025 VT750 and 2023-2025 VT1300 motorcycles. Due to a manufacturing defect, the fuel pump can malfunction, potentially causing the engine to stall and/or fail to start, increasing the risk of a crash or injury.

AFFECTED UNITS

As of September 25, 2026, **YOU MUST NOT SELL CERTAIN NEW or USED** 2024-2025 VT750 or 2023-2025 VT1300 motorcycles until it is repaired according to a forthcoming Service Bulletin.

- To search for applicable recalls on a specific unit, you **MUST** use *Unit Information* on **iN**, available September 28, 2026.
- To manage your affected new inventory, use your dealer *eResponsibility Report* on **iN**, available September 28, 2026.

CUSTOMER NOTIFICATION

American Honda intends to mail customer letters to all owners of affected motorcycles in November 2026. Customers will be informed that their motorcycle is affected by this safety-related defect and to make an appointment with an authorized Honda dealer to have their unit repaired.

PARTS AVAILABILITY

The parts needed for the repair are currently unavailable. VT750C/S parts are expected in November 2026, VT750CBS/C2B parts are expected in January 2027, and VT1300 parts are expected in April 2027. Dealers will be notified by **iN** message, and the service bulletin will be revised when parts become available.

SERVICE BULLETIN

VT750/1300 #1 is expected to be revised in November 2026 to include all parts and repair information relating to this Safety Recall. Dealers will be notified of the bulletin update via **iN** message.

DEALER REPAIR RESPONSIBILITY

- Repairs must be performed by a qualified technician.
- Performing this repair exactly as shown in Repair Procedure instructions is critical for the remedy to be effective. Carefully follow all instructions.
- Service Management should inspect and confirm the repair.
- Dealer submission of a warranty claim affirms this repair was properly performed.
