Technical Service Bulletin Notification

Unit Serial Number: «Serial»

Dear Jayco Dealer/Owner:

Jayco Inc. has become aware that on certain Jayco 2005 - 2007 Talon/Recon travel trailers and fifth wheels, the shock bottom studs may come in contact with the tires under the following situations; Tires are low on pressure, vehicle axle capacity is exceeded, and vehicle is in a severe jack-knife condition. This only occurs on vehicles with drop axles and under the above conditions.

Our records indicate that your Talon/Recon travel trailer or fifth wheel may be affected. Please contact your closest Jayco dealer to schedule an appointment. Jayco does not cover road service. Present this letter as authorization to have the procedure completed at no cost to you for one year from the release date for out of warranty units or within the two (2) year warranty period from the original date of purchase. If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact our customer service department @ 1-800-283-8267.

We apologize for this inconvenience. However, we are confident that this improvement will offer continued satisfaction with your Jayco Recreational Vehicle.

Sincerely,

Jayco, Inc.
