Subject: Consumer Maintenance Advisory, Generator Fuel Lines

Dear Valued Fleetwood Motor Home Owner:

Fleetwood is committed to providing the best quality motor homes and customer service in the marketplace. We are advising owners of certain 1997-2000 model year **gasoline** equipped Fleetwood motor homes of some important maintenance requirements regarding the rubber "generator fuel hoses" that were originally installed on your motor home.

The attached **Consumer Maintenance Advisory** will give you important maintenance recommendations to help ensure your continued enjoyment of your Fleetwood Motor Home.

Fleetwood is pleased you own our product and appreciate your loyalty. If you have any questions regarding this subject, please contact **Fleetwood Owner Relations at 800-322-8216**.

Sincerely,

Fleetwood Enterprises, Inc.
