OWNER'S LETTER

Dear Nissan Frontier Owner,

Nissan is committed to providing the highest levels of product quality and customer satisfaction. We believe our current and future success depends on your continued satisfaction with Nissan. We continually monitor and refine the features and performance of the Nissan Frontier.

WHAT NISSAN WILL DO

It has come to our attention that a limited number of 2008 Frontier King Cab LE and Nismo models equipped with the technology package were delivered without some of the features intended for your vehicle. Your vehicle was intended to be equipped with the Vehicle Security System and Vehicle Immobilizer System; but those items were not installed on your vehicle.

To assure your continued satisfaction with your Frontier, your Nissan dealer will install the Vehicle Security System and the Vehicle Immobilizer System for operation as originally intended at no cost to you for parts or labor.

WHAT YOU SHOULD DO

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to install the Vehicle Security System and the Vehicle Immobilizer System on your vehicle for operation as originally intended. Your dealer will need to order several parts based on your specific model and trim level to complete this installation. This free service should take less than three hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon the workshop schedule. **To ensure the least inconvenience for you, it is important that you have an appointment before bringing your vehicle to the dealer for service.**

Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If you have any questions regarding this Voluntary Service Campaign you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261).

Thank you for providing us this opportunity to ensure on-going satisfaction with your Nissan Frontier.
