At Ford Motor Company, it has been our goal for more than 100 years to provide customers with high-quality, dependable products. In order to maintain these standards, Ford Motor Company is providing a no-charge Customer Satisfaction Program (Program Number 10B19) for your vehicle, with the Vehicle Identification Number shown above.

What is the issue? On your vehicle, it may be possible that the engine block heater can become loose from the engine resulting in coolant loss. Coolant loss can lead to symptoms of engine running rough, white smoke from the exhaust, no-start, and possible engine damage.

What will Ford and your dealer do? In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to replace the engine block heater free of charge (parts and labor) under the terms of this program. This Customer Satisfaction Program will be in effect until May 31, 2011 regardless of mileage. Coverage is automatically transferred to subsequent owners.

How long will it take? The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What should you do? Please call your dealer without delay and request a service date for Customer Satisfaction Program 10B19. Provide the dealer with the Vehicle Identification Number (VIN) of your vehicle. The VIN is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions.

Ford Motor Company wants you to have this service action completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this service action performed on a timely basis. Therefore, please have this service action performed as soon as possible.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

Can we assist you further?

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
