

SUBJECT: Peterbilt Field Repair Notice 11112
SmartNav Software Update
Affected VINs are shown on the opposite side of this page

Dear Peterbilt Customer:

We hope you have enjoyed using your Peterbilt vehicle equipped with a SmartNav telematics and navigation system. We are pleased to let you know that a new software release is available that will improve the overall performance of your SmartNav system.

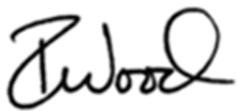

This software upgrade includes the following features:

- Improved Garmin warning tones
- Improved Garmin operational stability
- Expanded preference settings for cautions and advisories
- Improved iPod and MP3 file management capabilities
- Improved Sirius Satellite Radio signal performance

Please contact your Peterbilt dealer to schedule the SmartNav software update. This update will take about 30 minutes, and will be performed at no charge to you.

We apologize for any inconvenience this may cause.

Sincerely,

Rick Wood
Peterbilt Customer Service Manager
