

  
**ElDorado**  
**National - Kansas**  
 Thor Industries Mobility Division

Picture 1

ElDorado National adds P# 0033106 to the right side lower OEM door arm, this is needed to mount the OEM part shown in picture 3.

Picture 1, the red arrows shows the bolt holes that mount 0033106 to the lower door arm.

Picture 2

Drawing 2, blue arrow, points out the hole that needs drilled to mount the OEM plastic cable mount shown in picture 3.

Picture 3

Last, the green arrow in picture 3 points to a roller pin that needs removed once this OEM part is mounted to the lower door arm
