Technical Service Bulletin Notification TSB #12-003

Dear Entegra Coach Owner:

Entegra Coach has determined that on certain model year 2011 & 2012 Entegra Coach Class A Aspire Motorhomes the exhaust baffle for the Aquahot unit may not have been installed. Please look at the exhaust to determine if the baffle is installed or not. If there is no baffle, then one will have to be ordered and installed by your dealer.

Our records indicate that your Recreational Vehicle is affected. You may perform the repair yourself or you may contact your nearest Entegra Coach dealer to schedule an appointment. Present this letter as authorization to have the procedure completed at no cost to you. If you perform the repair yourself, we would like you to fill out and return the enclosed retail owner reply form in the postage-paid envelope when you complete the repair.

The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification. If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact Entegra Coach Customer Service at 800-945-4787.

We apologize for this inconvenience. However, we are confident that this improvement will offer continued satisfaction with your Entegra Coach Recreational Vehicle.

Sincerely,

Entegra Coach
