Technical Service Bulletin Notification TSB #12-004

Dear Jayco Owner:

Jayco has determined that on certain model year 2013 Eagle Fifth Wheels the roof material may come loose. To prevent this occurrence, it is necessary to add an extrusion and sealant to better secure the roof material.

Our records indicate that your Recreational Vehicle is affected. Please contact your nearest Jayco dealer to schedule an appointment. Present this letter as authorization to have the procedure completed at no cost to you.

The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification. If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact our customer service department at 800-283-8267.

We apologize for this inconvenience. However, we are confident that this improvement will offer continued satisfaction with your Jayco Recreational Vehicle.

Sincerely,

Jayco, Inc.
