SUBJECT: 2007-2009 CX-7 - Cross Member/Bushings/Bolts

This Parts Flash has been revised and replaces 09-03R dated August 3, 2009.

EG21-34-80XC and EG21-34-80XD are no longer available, making it necessary to order EG21-34-80XE (D-Code 34-800). With this latest available cross member (34-800), it is also necessary to order the Rubber No.1, Engine Mount (D-Code 39-040B) and Bolt (D-Code 99-601)

Note: There is a chassis difference between 2wd and 4wd that applies to the Rubber No.1, Engine Mount (D-Code 39-040B). Make sure to reference the chart below when replacing D-Code 34-800 from section 3410A of the CX-7 catalog.
