## Workshop Equipment

Number: VSE-12-14

Subject: VW Minimum Required Jetta Hybrid Auto Shipment  
AT343

Date: Sept. 17, 2012

Oct. 3, 2012: Updated to include invoice statement.

VWGoA is pleased to inform you of the automatic delivery of the Required Special Tools which are used on the following systems of the Jetta Hybrid:

- Hybrid System Tools
- 1.4 TSI Engine
- 7 Speed DSG Transmission.
- In an effort to save shipping costs, we have included one tool which is used on 2.0 FSI equipped vehicles.

Starting September 28, 2012, every VW dealer will be shipped one AT-343 Special Tool Package. Freight F.O.B. Snap-On OEM and invoiced directly by the VW Special Tools Program (Snap-On Business Solutions - SBS).

For dealers that wish to order additional AT-343 Special Tool Packages, please notify the VW Tools and Equipment Program by contacting us at 800-892-9650. Additional orders will be filled with remaining stock in the order received

Additional individual pieces of this package may be ordered from the VW Tools and Equipment program after the automatic shipment takes place.

Shipping & billing inquiries should be directed to the VW Tools and Equipment program @ (800-892-9650).

<u>Franchise Type</u>	<u>Package Qty</u>	<u>Dealer Price USA</u>	<u>Dealer Price Canada*</u>
VW	26 Tools	\$3261.30	\$3352.30 CDN*
VW/Audi Dual	23 Tools	\$3141.90	\$3232.90 CDN*

**Note** \* Canadian prices are subject to change. USD to CAD conversion will be calculated at time of invoicing at the current rate. Canadian pricing also accounts for importation costs from US to Canada.

**Note\*\*** Tools annotated with (†) may be delayed from the supplier at time of shipping. Dealers will not be invoiced for tools delayed by manufacture, until shipment occurs.
