

	Mitsubishi Motors North America, Inc. PARTS BULLETIN	
SUBJECT: NOISE SUPPRESSION SERVICE KIT	No: AI – US – 01 – 12	
	Date: NOVEMBER 2012	
	MODEL: ALL	

PURPOSE

The purpose of this bulletin is to inform you of the availability of a Mitsubishi Noise Suppression Service kit, which has been designed to assist in repairs of certain customer issues involving reported squeaks and rattles. The kit contains felt material and urethane padding of various thicknesses to install where interior parts and components are loose or rubbing together. Plastic tape is also included in the kit to secure loose connectors and wiring harnesses. Please reference Technical Service Bulletin TSB-97-42A-012 for additional information.

AFFECTED VEHICLES:

ALL	ALL

PART ORDERING AND ALLOCATION INFORMATION:

PART NUMBER	DESCRIPTION
MB991752	SERVICE KIT, NOISE SUPPRESSION

One (1) noise suppression service kit will be force allocated to dealers starting Wednesday November 14, 2012. The part will be processed on a “stock” or “S” order type and be shipped with your next scheduled order. For your reference the order number for the noise supersession service kit will be **2NS1S**.

The following dealers will not have the kit force allocated to them as they have purchased this kit in the last 6 months: 10294, 10321, 21033, and 44084. If any of these dealers, wish to obtain an additional kit, please place an order for part number **MB991752** and it will ship on your next stock.

Contact your local PDC or District Parts and Service manager for any questions and/or comments.
