

Vendor:

Belmor Heavy Truck Products

Vendor Information	Belmor Heavy Truck Products is a leading supplier of hood shields, bug screens, winterfronts, rock guards, tank covers, Venta-lators and Ventshades.
Customer Service & Technical Support	Hino Parts Support Phone: 866-372-4466 Hino Parts Support Email: helpdesk@hino.com Hino Parts Support Fax: 662-342-3939 Belmor Heavy Truck Products Phone: 1-800-423-1855 Belmor Heavy Truck Products Customer Service & Technical Support Email: info@belmor.com Belmor Heavy Truck Products Web: http://www.belmor.com Belmor Heavy Truck Products Fax: 1-800-438-3788
Order Procedures:	All orders are to be placed through the Hino Dealer Connect System (DCS). For special orders or for customer support contact Vendor directly via phone number.
Stock Orders	Enter orders in DCS Screen DC202 under Sales Type "S". All direct ship items will be shipped from a local Vendor PDC.
Emergency Orders	Emergency orders may be entered into DCS screen DC202 as a Sales Type "E" or "V". All emergency orders will be processed with a "rush" order. Freight and Handling fees will be identified on the Hino invoice.
Minimum Order Quantity	There is no minimum order requirement on emergency or stock orders.
Freight Policy:	All orders are shipped from the Hino PDC, Howe, IN, or Buford, GA unless otherwise specified. Prepaid freight on Direct Ship orders over \$1,000 (excluding hardware) within the contingent U.S. Prepaid carrier and shipment method is determined by Belmor. Freight costs for all other Direct Ship orders that do not qualify for prepaid freight will be shipped ground prepaid using Belmor's choice of carriers. Freight charges will be added to the invoice unless customer provides third party billing account information (FOB Origin).
Free Freight Policy:	Prepaid freight on Direct Ship orders over \$1,000 (excluding hardware) within the contingent U.S. Prepaid carrier and shipment method is determined by Belmor.
Order Fulfillment Policy:	The standard Direct Ship order lead time is 7 business days from date of order placement. Expedited Direct Ship orders are possible if stock is available and must be communicated by phone with Belmor Customer Service.
Part Number Pricing:	Pricing will be available on-line in the Hino DCS system. In addition, the prices will be forwarded to your service bureaus within two weeks of each pricing update.
Format:	Standard Part numbers are directly carried over; no prefix or suffix.
Mega Fleet:	All-Makes parts are not included in the Hino Mega Fleet pricing file but should be sold to Mega Fleet customers and filed as Miscellaneous Items in Corcentric when submitting for reimbursement.
Warranty:	1 Year Warranty for merchandise with manufacturing defects. All Warranty merchandise returns are to be handled through Belmor Customer Service at 800-423-1855. A determination will be made by Customer Service whether to have the defective material returned to the appropriate Belmor manufacturing facility or whether to authorize a field destroy. Any required replacement product orders will be entered separately by Customer Service. All product that is returned as warranty, and subsequently found to be non-defective, will be subject to a 15% restocking charge. Return freight on such items is to be paid by the customer.
Returns:	Contact Belmor customer service directly to obtain a return goods authorization code and instructions by phone number listed above. All returned items must have prior approval and the Return Goods Authorization (RGA) marked clearly on the outside of the box. RGAs have an expiration date of sixty (60) days; after sixty (60) days the return will become null and void. All non-warranty returns are subject to a 15% restocking fee and must be active part numbers in Belmor's system. Return merchandise must be boxed in a saleable condition in original packaging and must be shipped in a manner so as not to be damaged in transit. No credit will be issued for product that has been damaged, altered, or installed on equipment. The customer is responsible for all freight charges on the returned non-warranty merchandise. Special order items or non stock items are not returnable. Each customer account is only allowed one stock adjustment per calendar year. Stock adjustments: Stock adjustments may be requested at any time during the year and must be made in writing to Belmor Customer Service. Overstock returns are only allowed within 1 year of invoice date. Each dealership is allowed one stock adjustment per calendar year. Total returns are limited to 5% of the previous calendar year's net purchases of Belmor merchandise. A customer's account must be current before an RMA will be issued. Merchandise must appear as an available part number in the current Belmor price list. Credit will be issued at the Belmor selling price less a 15% repacking and restocking charge within 45 days of receipt and quality inspection of returned goods. Merchandise must be boxed in a saleable condition and shipped in a manner so as not to be damaged in transit. Any merchandise not acceptable for credit will be returned to the sender freight collect or destroyed by Belmor if customer authorization to ship is not received within 5 work days and no credit given. Stock adjustments are to be shipped "FREIGHT PREPAID" at customer expense (FOB destination) and must be shipped to the address provided by Belmor Customer Service.
Shipping Inspection and Damaged Product:	All merchandise should be inspected upon arrival, and carrier damage claims should be filed with the carrier immediately. Contact the Hino PDC for any damaged product or shipping issues.

Hino Parts & Accessories

Hino Style
Accessories

Hino Genuine Parts & HinoStyle Accessories

From air deflectors and bumpers to oil, filter and coolant — Hino Genuine Parts and HinoStyle Accessories improve your ride.

Whatever your personal and work load requirements are, you can count on Hino to deliver the parts you need to keep your truck looking and working like a champion.

Improve your driving comfort with Air Ride seats. Protect your truck from stones with a rock guard assembly. Add some style with chrome and

stainless steel wheels and trim. Keep your engine running great with Genuine Hino Service Parts.

RG-2210 — MDT 2011-2013

BELMOR
HEAVY TRUCK PRODUCTS

ACCESSORIES PARTS LIST

MAKE YOUR TRUCK YOUR OWN

Fit Up Your Truck with Belmor

Since 1921, Belmor Heavy Truck Products has been supplying innovative, high quality Class 8 truck accessories that enhance the look and performance of heavy-duty trucks. Our premium products include high tech hood shields, vacuum-molded window deflectors that let fresh air in while they keep rain and snow out, designer bug screens that repel bugs off radiators and chrome, plus many more innova-

tive and stylish products for all makes and models.

Our broad line is sold at over 3000 heavy-duty truck dealerships throughout North America. Custom made to vehicle specs, every product installs quickly, fits like a glove and enhances the look of heavy-duty trucks. Our products are available for all major OEMs:

How to Use This Parts List

Organized by OE make and model, Belmor's Master Parts List makes it easy to find the products you need. Just refer to the Belmor part number when placing your order. For Bug Screens and Winterfronts, please include the Hardware Kit part number, if applicable (hardware may be required for first-time installations). To order products, contact Belmor by phone: 1-800-423-1855; or email: info@belmor.com.

For complete information, new product updates, photos, downloadable product guides, installation instructions, dealer locations and much more, visit www.belmor.com.

Belmor's heavy-duty reinforced vinyl Winterfronts are a cold weather necessity. Designed to OEM specs, they protect radiators and grills from snow and ice, helping maintain optimum engine operating temperatures even in sub-zero conditions.

Belmor Winterfronts...Like a warm scarf on a winter day

BELMOR WINTERFRONTS

Styles include black quilted material, plus yellow Winterfronts for school buses. All install easily using either your existing OEM hardware, snaps (included) or turnbuttons (hardware kits sold separately). When the weather turns warm, just replace your Winterfront with a Belmor Bug Screen.

Keep your engine out of the deep freeze with a Belmor Winterfront. Go to www.belmor.com or contact Belmor Customer Service for more information.

Other styles available. See complete listing on reverse side.

*Winterfronts...Keep buses running
and disappoint school kids all winter*

BELMOR WINTERFRONTS

Belmor's heavy-duty reinforced vinyl Winterfronts are a cold weather necessity. Designed to OEM specs, they protect radiators and grills from snow and ice, helping school buses maintain optimum engine operating temperatures, while promoting driver comfort, even in sub-zero conditions. They install easily to bus fronts with snaps or turnbuttons (turnbutton hardware additional).

Don't get left in the cold. Contact your local dealer and order a Belmor Winterfront today. Also available at Bluebird and Thomas Built dealers.

let in the
fresh air

Get fresh air into the cab – even during bad weather – with Venta-lators® and Ventshades from Belmor

Stale air in the cab can make drivers drowsy and fog windows. Belmor has the solution – Venta-lators and Ventshades specially designed for heavy-duty trucks.

Venta-lators

Made of smoke tinted acrylic, Belmor's aerodynamic Venta-lators not only cover the top of an open window but fully extend down the vent pillar. So you can let fresh air in but keep rain and snow out, reducing window fog and lowering interior temperatures when parked.

Ventshades

Installed above side windows, Ventshades allow fresh air into the cab while keeping rain out. They allow windows to stay open even during bad weather, helping drivers stay alert and preventing windows from fogging. With their stainless steel design, they're as attractive as they are functional.

Get the solution to stale cab air. Go to www.belmor.com or call Belmor Customer Service at 1-800-423-1855 for more information on Venta-lators, Ventshades, and other fine Belmor products.

Belmor Venta-lators and Ventshades are available for the most popular makes and models of heavy-duty trucks including:

NEXT 150,000 MILES

Be Prepared with Belmor Aeroshield Hood Shields

Windshield and hood protection preferred by smart fleet owners. Proven to reduce driver downtime and money spent on repairs and clean ups.

AEROSHIELD MUSTACHE

Economical option for the value-minded

Hood shield made of thick, durable acrylic mounted on sturdy chrome brackets

Ideal protection and quality for fleets

AEROSHIELD WAVE

Durable hood and windshield protection through innovative aerodynamic design

Preferred by fleet owners to protect their investment

Available in clear, smoke, or chromed acrylic

Easy and secure installation

AEROSHIELD BULLET

Virtually indestructible shield made of impact-resistant acrylic

Ingenious design offers full protection at low cost

Ideal for fleets, owner-operators, construction vehicles

Fits any Mack model with bulldog hood ornament

Mounts easily to back of bulldog ornament-no hood drilling necessary!

AEROSHIELD 1.5

Outstanding performance at an irresistible price

Ideal for fleets

Easy and secure installation

For more information on Aeroshield Hood Shields, go to www.belmor.com or call 1-800-423-1855.

SPLAT!

Protect your truck's grill and chrome from bugs and debris with rugged bug screens tailor-made to fit your make and model.

Belmor Bug Screens – Like automatic flyswatters for your truck

Custom imprints available.
Call 1-800-423-1855 or
email your logo to:
CustomScreen@belmor.com

Belmor's rugged, heavy-duty Bug Screens attach easily to the front of the grill, protecting radiators from bugs and debris while keeping bug splatter off chrome trim. Made of fiberglass or heavy duty aluminum mesh bound with reinforced vinyl, they come in different styles including the American flag and **can even be customized with your fleet or company logo**. All mount easily with snaps (included) or turnbuttons (hardware kits sold separately). When winter comes, switch out your Bug Screen easily with a Belmor Winterfront using the same hardware.

Reduce time and money spent cleaning your grill and chrome with Belmor's rugged, heavy duty Bug Screens. **For more information, go to www.belmor.com, or contact Belmor Customer Service.**
