SERVICE INFORMATION

The location of the Navigation (NAVI) SD Map Card has been changed for vehicles being shipped to dealers.

- For the Applied Vehicles the NAVI SD Map Card is no longer in the Owners Manual Bag located in the trunk.
- The Applied Vehicles now are shipped with the SD Map Card already inserted in the slot on the Face of the NAVI unit.
 - Location of SD Map Card in NAVI unit will differ based on vehicle options.
(See Figures 1 and 2)

IMPORTANT: SD Map Cards are not interchangeable between different versions of NAVI units and will cause the unit not to work until the original part number is installed.
