Subject: **2012 NV Cargo Van Cargo Lamp Bulbs
Voluntary Service Campaign**

Attention: **Dealer Principals, Sales, Parts and Service Managers**

******* Service Campaign Announcement *******

Nissan is conducting a Voluntary Service Campaign on certain MY12 NV Cargo Van vehicles to replace the cargo lamp bulbs. The Cargo Lamp Bulbs may have been manufactured below Nissan's durability specifications and may stop functioning prematurely.

******* Parts Information *******

This campaign affects about 4,600 vehicles in the U.S., of which approximately **438** are currently in dealer inventory.

Nissan has reviewed the current parts inventory already available at individual dealers and will ship additional pieces to cover affected vehicles in dealer inventory as well as sufficient supply to support a percentage of retailed units. Dealers should receive this parts shipment no later than Saturday, December 8, 2012.

The part listed below is not on restriction and may be ordered using standard procedures as needed.

Part Number	Description	Restriction
26283-1PA0A	Cargo Lamp Bulb	No

******* Vehicle Identification *******

MY 2012 Nissan NV Cargo Van vehicles subject to this voluntary service campaign can be identified through two methods:

- **Service Comm** – Beginning December 7, 2012, Dealer service departments can complete an inquiry on Service Comm – Campaign I.D. **PC177** to determine an affected vehicle.
- **VIN List** – as a courtesy, posted with this announcement is a list of affected VINs by region, district and assigned service dealer.

******* Dealer's Responsibility *******

It is the dealer's responsibility to check Service Comm – Campaign I.D. **PC177** - for the campaign status on each vehicle falling within the range of this voluntary service campaign which for any reason enters the service department. This includes vehicles purchased from private parties or presented by transient (tourist) owners and vehicles in dealer inventory. If an affected VIN was part of a dealer trade, the letter associated with that VIN should be forwarded to the appropriate dealer for service completion.
