Title Mongoose Update

Category Diagnostic Software Hardware

Last modified 20-Dec-2012 00:00:00

Symptom 000102 WDS Patch / Update

Issue:

Mongoose Update

Released as part of DVD132 Patch 3

This enhancement improves the speed of the communication between the Mongoose device and the

Content USB port of the SDD unit.

Action:

This allows Mongoose to be update to the latest level from Mongoose JLR to Mongoose Pro JLR
