Transmission Shift Lever Knob Inspection (TSB# 12-01-045) -Dealer  
Stock-

Hyundai Motor America is conducting a service campaign to inspect the shift lever knob on select dealer stock 2013 Model Year manual transmission equipped Genesis Coupe vehicles. Service Campaign TN2 provides a service procedure to inspect and if necessary reinstall the shift lever knob.

In order to identify only those vehicles affected by Service Campaign TN2, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TN2.

A listing of affected vehicles is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - DEALER STOCK.

TSB #12-01-045 is available on HMAService.com as of November 19, 2012. It contains instructions on performing the service and submitting the campaign claim.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
