## 2013 Jetta – Immobilizer Adaptation

Before performing any immobilizer adaptation on a 2013 Jetta, ensure the correct immobilizer system has been selected. This can be done on the main screen in Guided Functions or by selecting Go To> Vehicle System Test in Guided Fault Finding.

For non-hybrid vehicles with KESSY, select “25-Anti-theft immobilizer 4C with ESCL – J362”.

For non-hybrid vehicles without KESSY, select “25-Anti-theft immobilizer 4C without ESCL”

For hybrid vehicles with KESSY, select “25-Immobilizer 4C with ESCL – Hybrid”

For hybrid vehicles without KESSY, select “25-Immobilizer 4C without ESCL – Hybrid”
