

Dear General Motors Customer:

As the owner of a 2006 or 2007 model year Chevrolet Malibu, equipped with a 2.2L engine; 2006, 2007, or 2008 model year Pontiac G6 or 2008 model year Chevrolet Malibu or Saturn AURA vehicle, equipped with a 2.4L engine and 4-speed transmission, your satisfaction with our product is very important to us.

This letter is intended to make you aware that some of these vehicles may have a condition where the mat within the catalytic converter may erode, causing the illumination of the Malfunction Indicator Lamp.

Do not take your vehicle to your GM dealer as a result of this letter unless you believe that your vehicle has the condition as described above.

What We Have Done: General Motors is providing owners with additional protection for the catalytic converter. If this condition occurs on your vehicle within 10 years of the date your vehicle was originally placed in service or 120,000 miles (193,000 km), whichever occurs first, the condition will be repaired for you at **no charge**. Diagnosis or repair for conditions other than the condition described above is not covered under this special coverage program.

What You Should Do: Repairs and adjustments qualifying under this special coverage must be performed by a General Motors dealer. You may want to contact your GM dealer to find out how long they will need to have your vehicle so that you may schedule the appointment at a time that is convenient for you. This will also allow your dealer to order parts if they are not already in stock. Keep this letter with your other important glove box literature for future reference.

Reimbursement: The enclosed form explains what reimbursement is available and how to request reimbursement if you have paid for repairs for the special coverage condition. Your request for reimbursement, including the information and documents mentioned on the enclosed form, must be received by GM by November 30, 2012.

If you have any questions or need any assistance to better understand related repairs, please contact your dealer. If you have questions related to a potential reimbursement, please contact the appropriate Customer Assistance Center at the number listed below.
