Technical Service Bulletin Notification TSB#13-002

Dear Jayco Dealer:

Jayco has determined that on certain model year 2013 Jay Feather Ultra light Travel Trailers the murphy bed may close inadvertently when sufficient weight is placed at the head of the mattress. The struts will be replaced with struts of a lower rating to reduce the likelihood of this occurrence.

The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification. If you have any questions on this Bulletin, please contact our Customer Service department at 800-283-8267. A copy of the bulletin is attached.

We apologize for this inconvenience. However, we are confident that this improvement will offer continued satisfaction with Jayco brand products.

Sincerely,

Jayco, Inc.
