

## **CUSTOMER SATISFACTION NOTIFICATION N03 TIRE PRESSURE MONITOR & OVERLAY LABEL**

Dear: (Name)

At Chrysler Group LLC, you can be assured that we are changing the way we look at quality. To prove our commitment to quality, the company is investing in and prioritizing improvements for every vehicle that we build. As part of that commitment, we are also targeting existing vehicles on the road today and contacting our customers to provide these quality improvements, at no charge, that will help to improve your ownership satisfaction.

We are recommending the following improvements be performed on some **2013 model year Fiat Sport Turbo vehicles equipped with 135 horse power engine.**

***Recommended Service:*** **The Tire Pressure Monitor (TPM) System on your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx) may have been programmed to set a "low tire pressure" warning lamp at higher than intended rear tire pressure levels and the Tire and Loading Information Label indicates a lower than intended value for the front tire pressure.**

***What your dealer will do:*** **Fiat will service your vehicle free of charge (parts and labor).** To do this, your studio will program the Tire Pressure Monitor and affix a revised tire pressure overlay on the Tire and Loading Information Label. The work will take about ½ hour to complete. We recommend that you make an appointment with your studio to minimize your inconvenience.

***What you should do:*** Simply **contact your Fiat Studio**, at your convenience, to schedule a service appointment. The studio will collect the necessary information to ensure that the appropriate parts are available so your service can be completed in a timely manner. Although not required, we recommend bringing this letter with you to your studio, when you bring your vehicle in for this service.

***If you need help:*** Please contact the Fiat Customer Assistance Center at 1-888-242-6342.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

Please help us update our records by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to your vehicle.

We apologize for any inconvenience this service may cause to your schedule. Moving forward we are committed to providing our customers with world class quality products, ensuring that you have a positive dealership experience and following up on any issues and concerns that you may have in a timely manner through our Customer Assistance Center.

Sincerely,  
Customer Service / Field Operations
