

Customer Notification Letter

RE: BODY SERIAL
CHASSIS SERIAL

Dear Winnebago Industries Motor Home Owner:

When you purchased your new Winnebago Industries produced motor home, you also received our commitment to provide you with a quality product and our dedication to continuing customer satisfaction. In keeping with this commitment, we are notifying you of a service issue that affects your 2014 Winnebago Industries motorhome.

Our records indicate that you have purchased a vehicle with the serial number which appears above.

Possible Issue

Winnebago Industries Inc. has found that the 'Locating Label' for the satellite dish wiring was inadvertently installed on the exterior, forward portion of the roof. The wires are actually located just to the rear-of-center in the roof. To avoid confusion, we ask that the label be removed at your earliest convenience.

The attached document, 'Instructions for Locating Satellite Wiring in Roof,' should be retained for future reference. We recommend placing it in the Entertainment section of your InfoCase, (the black bag that contains your Operator's and Supplement Manuals).

Picture of Label to be Removed

What You Should Do

If you choose to remove the label, rather than returning to the dealer, we ask that you use all necessary caution when accessing and walking on the roof, this surface can be slick in certain conditions. If you are not comfortable removing the label, please present this letter to your dealer on your next service visit and ask them to remove the label for you.

If You Need Assistance

If you have questions or need assistance, please contact the Winnebago Industries Owner Relations Department at 800-537-1885 Monday through Friday from 7:30 a.m. to 5:00 p.m. Central Time or by e-mail: or@winnebagoind.com.

We are sorry to cause you this inconvenience. We have taken this action in the interest of your continued satisfaction with our products. This letter does not constitute an acknowledgement of legal liability.

Thank you for choosing a Winnebago Industries motorhome.

Winnebago Industries, Inc.
Forest City, IA 50436
