

TO: Hyundai Dealership General Managers, Sales Managers,
Service Managers and Parts Managers
FROM: Hyundai Motor America
DATE: November 19, 2013
SUBJECT: **Additional Update: Retail Hold on 2014 2.4L Santa Fe
Sport (AN) - Release of Identified Vehicles**

Hyundai Motor America's District Sales Manager (DSM) and/or District Parts and Service Manager (DPSM) will be contacting each of their dealers in the next day or two in order to provide them with a listing of dealer stock 2014 2.4L Santa Sport (AN) with 17 inch Continental tires that must continue to be on Retail Hold.

Dealer inventory of 2014 2.4L Santa Sport (AN) vehicles with 17 inch Continental tires not on the listing may now be retailed.

Dealers who wish to retail one of the vehicles that remain on Retail Hold must replace the 17 inch Continental tires with 17 inch Kumho tires prior to customer delivery.

NOTE: Applicable Kumho tire is a 235/65 R17, Dealer Tire SKU to order is 2122913

Additional information will be forthcoming.

All replaced 17 inch Continental tires must be retained by the dealer for future inspection by Hyundai personnel.

We appreciate your cooperation in this matter.
