**SUBJECT: 2014→ CX-5 ACCESSORY SATELLITE RADIO INSTALLATION – GROUND POINT**

Due to a running change, the Installation Instructions for the CX-5 accessory satellite radio (accessory part number KF69-V6-029) refer to a ground point that may not exist on 2014 and newer models.

If the ground point is not available during installation on 2014 or newer CX-5 models, follow the note below. This note was also added to the instructions available on MXConnect at the link below:
