SUBJECT: Service Campaign TR5 - Navigation Operating System Software
Update (TSB# 13-01-049) -Dealer Stock-

Hyundai Motor America is conducting a Service Campaign to update the navigation operating system software on certain dealer stock 2014 Model Year Sonata, Santa Fe Sport, Tucson, and Santa Fe vehicles. Service Campaign TR5 provides a procedure to update the navigation operating system software.

In order to identify only those vehicles affected by Service Campaign TR5, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TR5.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Dealer Stock.

TSB #12-01-049 will be available on HMAService.com on December 3, 2013. It contains instructions on performing the service procedure and submitting the campaign claim.

SD Cards containing the software update began shipping to all affected dealers on November 25, 2013 in mailers addressed to the SERVICE MANAGER.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
