Information Regarding the XV Crosstrek Hybrid High Voltage Insulation Gloves and Leather Protection Gloves

TO: All SOA Users, including SNE and SDC

FROM: Subaru of America, Inc.

DEPARTMENT: Service

DATE: 12/20/2013

By now, all dealerships should have received special tools for the XV Crosstrek Hybrid. Included in this package are various sizes of high voltage insulation gloves and leather protection gloves. Please read and understand the documents linked below, which cover:

- Proper glove usage
- Glove inspection criteria
- Glove recertification intervals
- Approved glove recertification facilities

Hard copies of the documents will also be mailed to dealerships for retention with the hybrid safety kit.
