

WQE-41 Campaign - Component Parts

TO: SDC EST CEN WST
FROM: Subaru of America, Inc.
DEPARTMENT: Fixed Operations
DATE: 02/25/2013
CATEGORY: Parts/Service

We would like to remind dealers that for this campaign the repair part number is H001SSC300, which is a fused mini harness. There are two required per vehicle. There are other components listed in the campaign bulletin for convenience but, the likelihood of these parts being needed is small. Therefore, due to the limited availability of these parts we are asking dealers to please only order parts as needed for vehicles that require these components. Dealers should not be stocking these items.

If you should have any questions, please contact the Parts Information Coordinators

Thank you
