Models	XF / X250
Title	JTB00280 On Hold
Category	Body
Last modified	25-Nov-2013 00:00:00
Symptom	107000 Interior Trim
Content	<p><u>Issue:</u> JLR would advise all dealers that JTB00280 has been temporarily removed from TOPIx due to an unavoidable parts supply issue reference the overhead console repair kit C2Z25623.</p> <p><u>Cause:</u> JLR are working to release a new fix for this issue on XF and the TSB will be re-released once parts are available to meet demand.</p> <p><u>Action:</u> Should a vehicle be presented with this issue and confirmed as requiring a new part you will need to order a complete overhead console to rectify.</p> <p>This SSM will be updated once the TSB has been released. JLR apologise for any inconvenience this may cause.</p>
