

# Service Bulletin

## PRELIMINARY INFORMATION

**Subject:** TAC Part Restriction - Power Window Master Switch and Circuit Board

**Models:** 2009 Pontiac Vibe

***This PI was superseded to remove parts restriction. Please discard PIC5838.***

The part restriction on the parts listed below has ended. Thank you for your assistance in collecting data related to these part numbers.

These part numbers can now be ordered directly through your Parts Department without TAC authorization.

**Note:** PRIOR to replacing either the circuit board or (in some cases) the power window switch, be sure to follow the procedure called-out in the latest version of Safety Recall 12071.

The following parts are no longer on restriction:

19204262 - Power Window Master Switch

19205538 - Power Window Master Switch Circuit Board

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
