IMPORTANT:

All dealers that signed the auto-shipment agreement will receive the above noted tools. As these are required tools, dealers that did not sign the auto-shipment agreement must order the tools using the part numbers listed above.

Dealers with parts accounts that are not in good standing will not be auto-shipped the tools. Please place a manual order with Ducati North America via the Credit Hold Order Form.

These tools are designed to support Service activities, as part of Ducati's commitment to making available all necessary tools in order to offer end users top-notch After Sales Service - a key to business success. It should also be noted that failure by a dealer to acquire these critical tools immediately may constitute a breach of their dealer agreement.

Sincerely,

Ducati North America
Service Department
