

Field Service Bulletin

Release: July 23, 2013, 2013

Subject: Chevy Type III, 6.6 Litre

Origin: Fred Birchfield

Wheeled Coach/Road Rescue is recommending that you inspect the vent hose at the fuel tank to verify that there is a quick connect fitting on the hose that connects to the tank. If there is not please contact us at the number below. The vehicles are listed below. A picture is attached with this document for you to reference.

Please contact Wheeled Coach/Road Rescue Customer Service Department at 800-932-7077, ext. 295 or 302.

If you have any questions please contact Fred Birchfield at 800-342-0720 ext. 265.
