

Service Bulletin

PRELIMINARY INFORMATION

Subject: Wrong Installation Instruction Sheets in Some Body Side Molding Accessory Kits

Models: 2012-2014 Chevrolet Cruze, Sonic

Attention: This PI applies to body side molding kit part numbers 95992461, 95980690, 95055169 and 95055168.

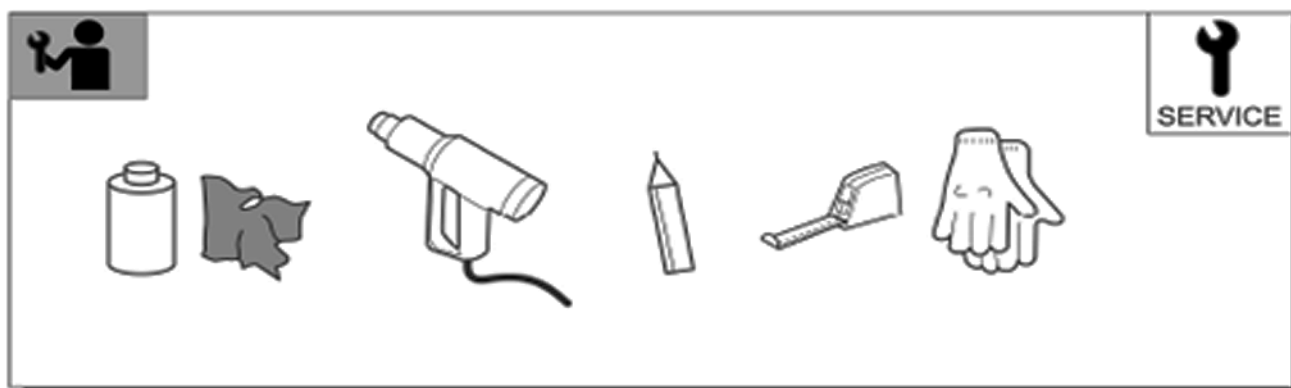

Condition/Concern

Some technicians may comment that the instruction sheets included in the Cruze or Sonic Body Side Molding accessory kits are incorrect. It has been found that the kit supplier may have inserted the wrong instruction sheets when packaging some of the accessory kits.

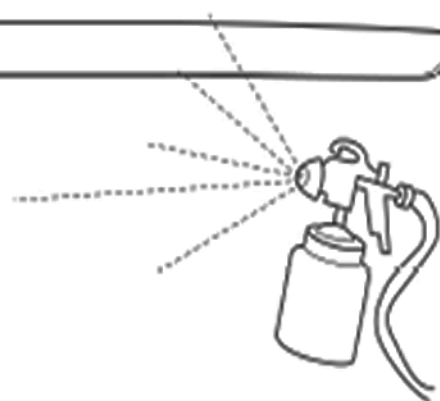

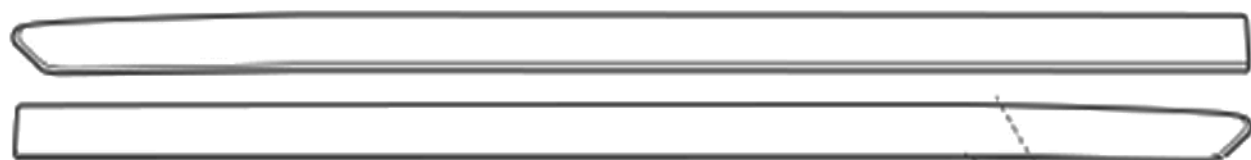

Recommendation/Instructions

The accessory catalogue will be updated in the near future, however until that correction is available, technicians should follow the appropriate installation instructions noted below.

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
