Bulletin

April 19th, 2013

Subject: **PAC Warranty Roadster Spyder™ RT – Tri Axis Adjustable Handlebar**

No. **2013-3**

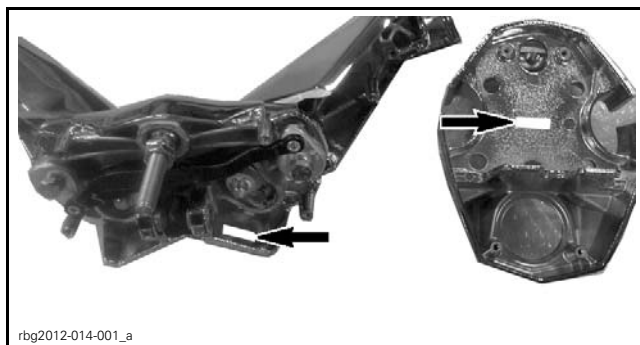

YEAR	DESCRIPTION	PART NUMBER	SERIAL NUMBER
2013	Tri axis adjustable handlebar	219 400 414	See included list

PROBLEM

A problem with the coating thickness may cause damage to the finish of the part's surface (such as scratches).

SOLUTION

Return all inventory with serial number between 200 and 388.

SERIAL NUMBER LOCATION

If parts are installed on vehicle, contact a BRP service representative.

Dealer can replace the part by ordering a new one through the normal channel.

REQUIRED PARTS

Order this kit through the normal channel.

Inventory parts have been inspected.

DESCRIPTION	PART NUMBER
Tri axis adjustable handlebar kit	(P/N 219 400 414)
