Title: Replacing Truck-Lite Tail Lights with Weldon Tail Lights

Applies To: ProStar with tail light part numbers 3707933C93 and 3707932C93

Replacing Truck-Lite tail lights on trucks built before February 21, 2013

The original Truck-Lite part numbers are being replaced by Weldon parts.

If changing from Truck-Lite to Weldon for the first time on a vehicle, both the left and right lamps should be replaced together. The retrofit also requires the installation of a conversion harness for each side. Please order one of each of the parts from the "New Part" column:

Part Description	Original Part (Truck-Lite)	New Part (Weldon)
Lamp, left (with license plate)	3707933C93	6107016C91
Lamp, right (w/o license plate)	3707932C93	6107039C91
Harness, conversion - left	n/a	6111751C91
Harness, conversion - right	n/a	6111746C91

Truck-Lite Tail Light
Includes Integrated Pigtail

Weldon Tail Light
Includes Integrated Pigtail

Extension/Adapter Harness

Availability

Weldon lamps will be available in limited quantities through June, 2013. As production ramps up at Weldon through July 2013, parts will be available in quantities necessary to meet demand. Until supplies stabilize, please order judiciously, and note whether the parts are needed for Critical Use, Non-Critical Use, or Stock Only.
