ROADSTER RT 2013 Safety recall preliminary notice - Elevated Temperature in Engine Compartment

Options

2 weeks ago

We'd like to bring to your attention a voluntary safety recall on 2013 Can-Am Spyder Roadster RT vehicles meant to address a risk of skin burn or vehicle fire.

Knowing that this information will be shared via multiple electronic channel/website, some consumers might be contacting you before they received an official letter from us. Please consult the attached documents to be well informed on the subject.
