SUBJECT:

Dodge Dart Racetrack Lighting Customer Initiative

OVERVIEW:

This bulletin involves removing and replacing the center rear lamp secured to the decklid assembly after disclosing promotional pricing the customer will be responsible for.

MODELS:

2013 (PF) Dart (U.S. Markets Only)

NOTE: This bulletin applies to vehicles equipped without (Sales Code LBQ) LED racetrack lighting tail lamps that are not an SE model.

SYMPTOM/CONDITION:

The customer received a promotional flyer and/or is aware of the promotional pricing for a new center rear lamp that is equipped with the racetrack lighting function for all models except SE.

DIAGNOSIS:

If a customer's VIN is listed in VIP or your RRT VIN list, perform the removal and installation procedure after disclosing promotional pricing the customer will be responsible for.

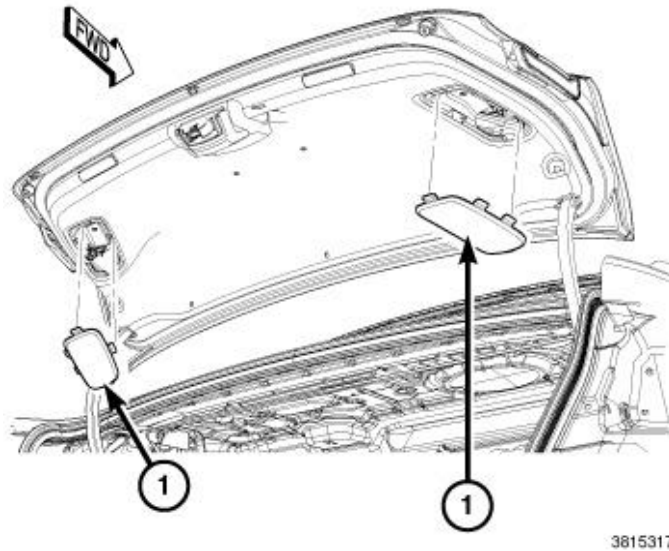

PARTS REQUIRED:
