GPOP - Issue Review System

Part Number: 03515996

Part Description: Filter Assy - Trans Oil Sump

Issue Description: When replacing the filter: Use 52118789 filter with 52118780AD pan. Use 3515996 filter with 52118804 pan. The 52118780AD pan is 0.59" deeper than the 52118804 pan and requires the 52118789 filter. Note: 52118780AD pan has the part number stamped into the pan, 52118804 does not.

For Buzz, whining or moaning noise from cold transmission in Reverse reference TSB 21-08-99

For "Reverse Buzz (46RE) reference TSB 21-11-97
