

M.Y. 2012 and M.Y. 2013 Technical Specification Sheet Update
 Models: M.Y. 2012 and M.Y. 2013
 Service Bulletin SVC-13-016

Date: June 14, 2013
 To: Dealer Principal, General Manager, Service Manager, and Service Technician
 From: Austin Gray, Technical Director; Jonathan LaForte, Technical Manager

Dear Ducati Dealer,

Please be informed that the M.Y. 2012 and M.Y. 2013 update sheets for the Technical Specification Folders are now available. These sheets update and complete the M.Y. 2007 to M.Y. 2011 Technical Binder previously provided, see bulletin SVC-11-008 Technical Data Binder.

For each Model Year there is a separate technical information sheet for each Model Family. Each sheet is printed on 200 gram laminated paper, and dividers will not be provided.

M.Y. 2012 and M.Y. 2013 sheet part numbers in the different languages are the following:

MY2012 AND MY2013 TECHNICAL SPECIFICATION UPDATE	
91717391A	ENGLISH
91717391B	ITALIAN
91717391C	SPANISH
91717391D	JAPANESE
91717391E	GERMAN
91717391F	FRENCH

M.Y. 2012 and M.Y. 2013 Technical Specification Sheet Update
Models: M.Y. 2012 and M.Y. 2013
Service Bulletin SVC-13-016

PART NUMBER:	See chart above
RETAIL PRICE:	USA [REDACTED]; CDN [REDACTED]; MEX [REDACTED]

As the technical specification folder update sheets are essential to Service activities, one will be Auto-Shipped to all Ducati dealers who are enrolled in the Tool Auto-Ship program. Those dealers not enrolled in the Tool Auto-Ship program will need to place an order in the DCS using the appropriate P/N for your market, as noted above.

We thank you in advance for your attention and cooperation.

Best regards,
Ducati Service
