INFORMATION

Date: July 16, 2013

To: FOMs, CSMs, PSMs

Subject:

UPDATE - PM365 - 2014 Nissan Versa Note - Rear Seat Latch Bolt - Dealer Service Action

Inventory Update:

Vehicles that were subject to this service action have still been arriving to dealerships. As a courtesy, Nissan has posted an updated list of affected dealer inventory.

Note: Dealerships still need to confirm all service action applicability with Service Comm.

2014 Versa Note Dealer Service Action Affected Dealer Inventory I.D. PM365 <i>As of 7-16-13</i>		
Count of VIN17		% of Dlr Inv
RGN	Total	Nationally
24	715	13%
26	1093	19%
32	1158	21%
34	1324	23%
44	1347	24%
Grand Total	5637	100%

Parts Update:

A third parts shipment is scheduled to begin arriving at dealers tomorrow, July 17. Additional parts shipments are scheduled for July 24 and July 26.

Reminder: This is one of two actions Nissan is asking dealers to perform on the subject vehicles. **Nissan asks that dealers do not sell any 2014 Versa Note vehicles in Dealer Inventory until both Dealer Actions are performed.**

Detailed Information:

Attached for your convenience are the following items:

1. PM365 Dealer Inventory VIN List – As of July 16, 2013

Please cascade the information as appropriate.

This information will be posted to NNAnet.com today.
