**\*\*\*\*\* Corporate Statement \*\*\*\*\***

Nissan is conducting a Voluntary Service Campaign on certain MY2013 Frontier vehicles. A small number of MY2013 Frontier vehicles may be missing bed rail caps that were intended to be included as standard equipment. Nissan will install bed rail caps on affected vehicles at no cost to the customer for parts or labor.

**\*\*\*\*\* Parts Information \*\*\*\*\***

This campaign potentially affects approximately **1,032** Nissan vehicles in the U.S. (including Guam and Puerto Rico), of which approximately **83** are currently in dealer inventory.

The campaign part is currently under a parts sales restriction. An initial parts order will be sent to all dealers with an affected inventory vehicle. A parts order form is available for other part orders.

A campaign update will be provided when this parts availability status changes.

**\*\*\*\*\* Repair Instructions \*\*\*\*\***

Nissan has developed the Service Campaign Bulletin **NTB13-090** containing instructions to perform this campaign repair, part information, and claims information. These instructions are available on ASIST and on NNA.net.com under My Documents in the Sales/Campaign, Parts/Campaign and Service/Campaign categories.

**\*\*\*\*\* Vehicle Identification \*\*\*\*\***

MY 2013 Frontier vehicles subject to this service campaign can be identified as follows:

- **Service Comm** – Beginning October 4, Dealer sales and service departments can complete an inquiry on Service Comm – Campaign I.D. **PC240** – to determine if a vehicle is subject to this service campaign.
- **VIN List** – As a courtesy, posted with this announcement is a list of Dealer Inventory VINs subject to this recall campaign arranged by region, district, and Dealer Code.

**\*\*\*\*\* Dealer's Responsibility \*\*\*\*\***

It is the dealer's responsibility to check Service Comm – Campaign I.D. This includes vehicles purchased from private parties or presented by transient (tourist) owners and vehicles in dealer inventory. If an affected VIN was part of a dealer trade, the letter associated with that VIN should be forwarded to the appropriate dealer for service completion.

**\*\*\*\*\* Owner Notification \*\*\*\*\***
