OWNER NOTIFICATION

Dear Frontier Owner:

Nissan is committed to providing the highest levels of product quality and customer satisfaction. We believe that our current and future success depends on your continued satisfaction with Nissan. With that in mind, we want to bring to your attention important information regarding your 2013 Nissan Frontier.

REASON FOR SERVICE CAMPAIGN

Your vehicle may be missing bed rail caps designed to protect your vehicle's side bed rails from denting and scratching. These bed rail caps were intended to be included as standard equipment.

WHAT NISSAN WILL DO

To assure your continued satisfaction and confidence in your vehicle, if your rail caps are missing your Nissan dealer will install bed rail caps at **no charge to you for parts or labor**. The service should take less than an hour to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

WHAT YOU SHOULD DO

Nissan encourages you to contact your Nissan dealer at your earliest convenience in order to arrange an appointment.

To ensure the least inconvenience for you, it is important that you have an appointment before bringing your vehicle to the Nissan dealer for service. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If the dealer fails, or is unable to complete the service free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). Thank you for providing us an opportunity to ensure ongoing satisfaction with your Nissan vehicle.
