# Heated Seats

## Freightliner Trucks introduces heated seats

Freightliner Trucks is pleased to announce heated seat availability for M2 and SD vehicles. This new option is currently available to order in SpecPro.

### What is it?

- This new feature provides both driver and passenger heated seats
- The heat functionality is controlled by a switch on the seat
- Seats themselves are an elite high back air suspension seat with multiple comfort options, including:
  - Lumbar support
  - Integrated cushion extension
  - Forward and rear cushion tilt
  - Adjustable shock suspension to adjust the spring rate for a softer ride

### Why is it important?

- Driver comfort
- Added warmth in colder working conditions

#### Availability:

M2106, M2112, 108SD, 114SD

#### Key Benefits:

- Driver comfort

### Where do I find this information?
