

Service Bulletin

File in Section: -

Bulletin No.: PIC5929

Date: November, 2013

PRELIMINARY INFORMATION

Subject: Tire Learning Active Message on at Startup

Models: 2013 Cadillac ATS

Condition/Concern

Some customers may comment on a "Tire Learning Active" message appearing at startup.

Recommendation/Instructions

Engineering is aware of the condition and working on a service solution. Do not attempt any repairs at this time for this concern. This PI will be updated once repair information becomes available.

Customer Information

Please communicate to the customer that we apologize for this inconvenience and that General Motors is working on a solution for this concern. Once a solution is available, this PI will be updated with additional details - allowing dealership personnel to contact the customer to schedule a service appointment and repair the vehicle.
