Introduction

Peterbilt Motors has decided that all Model 579 vehicles may have a hood installed that does not meet quality standards. A design change has been released to provide reinforcement in the hood latch area.

Resolution

This field repair is issued to campaign affected chassis by adding two reinforcement plates (R/L) to the hood.

Warranty

Affected chassis are identified in the warranty system with "113-1" in SIR. Submit quick claim "113-1" for the repair work associated with this bulletin.

Parts

Initial part shipments will be sent directly to dealers beginning the week of 01/28/2013.

If your dealership does not receive any parts from the initial shipment, you may order parts through PPD beginning February 11, 2013.

Please Note: A part handling allowance is included in the 1.5 hours labor. Also, a \$55.00 adhesive allowance is included in the quick claim.
