**Background**

American Honda (AHM) is investigating certain 2012-2013 MDXs & 2013 RDXs with a complaint of the Check Engine Light (CEL) on and the DTC P2101 (Electronic Throttle Control System Malfunction) stored. To fully understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirements:

1. First time complaint
2. DTC P2101 stored

**Action Required**

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
