

**SB-10053689-4149**

August 27, 2013

**To:** Select Blue Bird Customers

**Subject:** Service Bulletin S13WL Optional C. E. White Track Mounted Seat Spacing Instructional Decal

**Models Affected:** 2012 through 2014 Model Year All American and Vision Model School buses equipped with Optional C.E. White Quasi Style Track Mounted Seats

**Bulletin Duration:** One (1) Year from In-Service Date

**Overview**

On the subject buses equipped with optional C. E. White Company Quasi style Track Mounted Seats an incorrect track mounted seat spacing instructional decal may have been installed. Instructions for inspecting the currently installed decal and, if needed, replacing it with the correct decal are provided in Service Bulletin S13WL. Copy attached.

**Affected Units**

The buses in your fleet that are affected by this bulletin are identified by Blue Bird body serial number(s) on the enclosed cover sheet.

**Time Allowance**

Time allowed to inspect and, if necessary, change the decal per instructions for S13WL is 0.1hrs six (6) minutes per bus.

**Repair Parts**

Replacement decals, if needed, are enclosed with this letter.

**Labor Reimbursement**

If you perform this service bulletin yourself or have an outside repair facility perform this bulletin you may submit claims for labor and parts reimbursement to your Blue Bird dealer.

**Bulletin Duration**

This Service Bulletin ends one (1) year from the in-service date on the subject buses in your fleet.

# C.E. White Track Seating Instructions Decal

# BULLETIN

**Models Affected:** All buses manufactured from 08/22/11 thru 05/23/13 and equipped with C.E. White Track Mounted Seats

| ISSUE                                                                                                                                | CORRECTIVE ACTION                                 |
|--------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------|
| An incorrect Track Mounted Seating Instructions Decal may have been installed on buses equipped with C.E. White Track mounted seats. | Remove original decal and replace with new decal. |

## PROCEDURE

**WARNING:** Always follow all Federal, State, Local and Shop safety standards and use proper safety equipment when performing these procedures.

### Units with CE White Track Mounted Seats:

Locate the Track Mounted Seating Instructions Decal inside bus on Driver's Side or Curb Side of unit on headlining panel above wire molding. The decal may be located on one side or both, depending on the location of the track mounted seats. Inspect decal for correct seat spacing as highlighted below on Figure 1. If decal on the bus differs from the decal shown in Figure 1, remove and install decal #10034776. If the decal is the same as below, no further action is required.

**NOTE:** This decal is *ONLY* applicable to buses with the C.E White options listed on page 2.

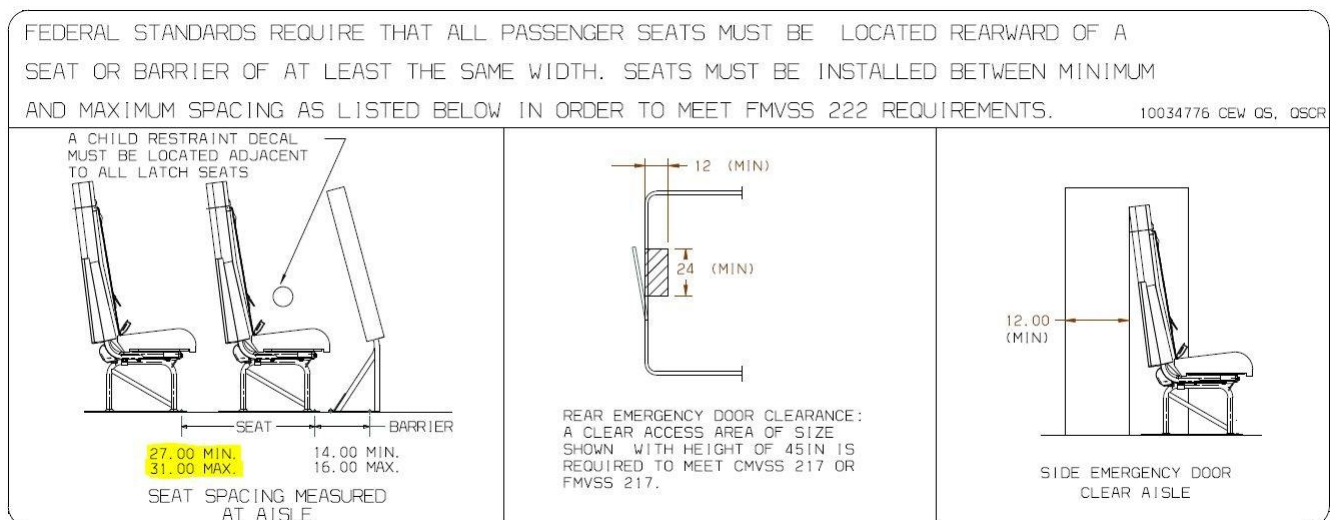

Figure 1

## Units with CE White and Blue Bird Track Mounted Seats:

Your bus may contain both C.E. White Track Mounted Seats and Blue Bird Track Mounted Seats. If so, the Blue Bird Track Mounted Seat decal (01943760) must stay affixed. Inspect the C.E. White Track Mounted Seat decal per Figure 1 and replace with C.E White Track Mounted Seat Decal (10034776) if necessary.
