RE: Request for Info: 2013 Civic Front Door Handle/Latch Popping or Sticking

Print this *iN* message and provide a copy to the Shop Foreman and all Service Advisors.

Background

American Honda (AHM) is investigating certain 2013 Civics with a complaint of the front driver's or passenger's door handle/door latch popping or sticking. To fully understand the cause of this condition, AHM would like to collect specific information regarding the vehicle prior to you attempting a repair of any kind.

Action Required

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
